

Product Description

Carved from a single block of aluminum, MacBook Pro is slim, light, and durable enough to take anywhere.

High-performance NVIDIA graphics combine with a vivid LED-backlit display to give you a stunning viewing experience.

Every new MacBook Pro features an advanced built-in battery that lasts up to 7 hours (8 hours on the 17-inch model) on a single charge.

Highly recyclable and energy efficient, the new MacBook Pro is designed with the environment in mind.

Included software

Mac OS X Leopard + iLife

Every Mac comes with the world's most advanced operating system, as well as iPhoto, iMovie, GarageBand, and iWeb so you can do more with your photos, movies, and music.
