

Product Description

The notebook you love in a whole new edition

The new MacBook has been redesigned, offering features improvements that will delight notebook

customers. It features a stunning new white highly-durable unibody enclosure, making it both desirable and

rugged for the demanding consumer and education customer alike.

Durable unibody enclosure

Just 1.08 inches thin and weighing only 4.7 pounds,³ MacBook features a sleek and durable unibody enclosure that slips easily into your bag or backpack.

Built-in 7-hour battery

The built-in battery lasts up to 7 hours on a single charge.² So you can take MacBook anywhere and work, play, or do both longer than ever before

Brilliant LED-backlit display

Your photos, videos, games, and websites come alive with luminous color on the 13-inch LED-backlit glossy widescreen display.

Glass Multi-Touch trackpad

The spacious trackpad gives you plenty of room to navigate and supports two-finger scroll, right-click, and Multi-Touch gestures.

Mac OS X Snow Leopard + iLife

Every Mac comes with the world's most advanced operating system, as well as iPhoto, iMovie, GarageBand, and iWeb so you can do more with your photos, movies, and music.
